This Blackjack Promotion ("the Promotion") consists of four Heats played over four weeks. Heats may consist of multiple sessions and will begin at 18:30 and conclude at 20:30 or when the final hand for the session for that Heat or Playoff for the Heat is completed by all eligible players who are present at that Heat.

Each Session will consist of 10 rounds of play. Players may only enter once for each Heat.

The prize for each Heat will be allocated based on the player's chip count at the end of their Session for that Heat.

The prize for the overall promotion is based on the player's cumulative chip count from each Heat they participated in.

## **PLAYER REGISTRATION**

This Promotion is open to Chairman Tier level patrons only. Players register in person (no proxies allowed for this event) on the day of the Heat at the Cashier's Cage from 16:30. The Promotion Director will collate entries and make available the list of players and their playing order at the commencement of the Heat. Eligible players may register with the Promotion Director in person after the commencement of the Heat if they have not already played in that day's Heat. Players not present when called by the Promotion Director to play will be reassigned a starting position by the Promotion Director. Any registered eligible player not present at the conclusion of the Heat forfeits their play for that Heat and no adjustment will be made to their Overall Promotion Leader Board tally.

## **ENTRY FEES**

No entry fee will be charged for entry into the Promotion.

## **ADMINISTRATION FEE**

No administration fee will be charged for entry into the Promotion.

## **BUY IN AND TABLE STAKE**

No buy in is required at the table. Prior to the commencement of each session, the player will be allocated \$5,000 in Non-Value Tournament Chips at the table. Tournament Chips must remain on the Promotion Table and in view of all seated players, the dealer and Promotion Director at all times. All Tournament Chips remain the property of The Ville Casino. At the conclusion of each player's session the total chip count will be confirmed by the Dealer and Promotion Director, then added to the player's Heat Leader Board and Overall Promotion Leader Board tallies by the Promotion Director.

**PROMOTION FORMAT**

MINIMUM BET	MAXIMUM BET	BETTING UNITS
\$500	\$5,000	\$100

All eligible players shall assemble at the Promotion Blackjack table in the Orpheus Room at 18:20 on the day of each Heat.

Players will be invited by the Promotion Director to join the Promotion table and play one session with a maximum of ten (10) consecutive hands per Heat. If a player loses their initial allocation of Tournament chips or is unable to place a minimum wager they are deemed to have finished their Session and will vacate their seat. If that player is not present immediately they will be moved down the list and the next player will be invited to sit and play by the Promotion Director.

A minimum of 1 player and maximum of 4 players can participate per Promotion table.

The Minimum and Maximum bets will be displayed at the table.

Prior to the first hand of the Session the dealer will mark the first box with a marker to signify that player is to bet first. Following the first player's bet each player will bet in turn from the marker in the direction of the game's play until all players have made a bet. Once a bet has been placed it shall not be altered. If a bet is altered the Promotion Director may instruct the player to make the minimum bet only for that round of play. A new player beginning their session will bet in accordance to where the marker is, and shall bet first to bet if the marker is to be placed on their box at the start of their first hand.

Players must play ten (10) consecutive hands from the commencement of their session.

Players may only place a bet in their own box. No back betting is allowed.

Players may only place a Perfect Pairs bet in their own box and only when it is their turn to place a Blackjack bet.

Winning wagers other than for a Blackjack pay odds of 1 to 1. A winning Blackjack hand pays odds of 2 to 1. Winning Perfect Pairs wagers will be paid as displayed.

A Heat Leader Board will be generated for each individual Heat to determine 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> prizes for each Heat. Prizes will be awarded at the conclusion of each Heat and deposited to the player's account by the Promotion Director.

An additional Overall Promotion Leader Board will be generated to determine 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> prizes for the Overall Promotion. The Overall Promotion winner along with 2<sup>nd</sup> and 3<sup>rd</sup> places will be announced on the 7<sup>th</sup> of December 2020 following the conclusion of Heat 4. Prizes for the Overall Promotion Winner will be awarded at the conclusion of Heat 4 and deposited to the player's account by the Promotion Director.

At the conclusion of each player's session of ten (10) hands the player's remaining table stake will be recorded on the Heat Leader Board. The player with the highest remaining table stake will be determined the winner of that Heat, with subsequent prizes awarded to 2<sup>nd</sup> and 3<sup>rd</sup> as specified in section 7 "Prize Pool".

The table stake results for each player from each Heat will be recorded on the Overall Tournament Leader Board and will accumulate after each Heat, ie: Promotion Leader Board Total = Heat 1 + Heat 2 + Heat 3 + Heat 4.

In the event of a tie and for the purpose of determining a prize, a Playoff will ensue. Each tied player will be allocated \$2,500 in tournament chips used only for the Playoff round and will not be included as remaining table stake on the leader boards.

The Playoff will involve each tied participant playing 5 rounds of play. The Promotion Director will allocate seating for the Playoff according to the Heat's starting seating order. The Dealer will place a marker at Box 1 with players taking turns to bet first as in the Heats. The player with the highest amount in tournament chips at the end of the Playoff will be determined the winner of the prize they are eligible for.

In the event of a multi-player tie all players tied with the same chip total will participate in the same Playoff. If a Playoff player loses all their chips they will take no further part in the Playoff and will not be eligible for a prize.

If a player is not present for a Playoff the prize will be awarded to the player present.

For the purposes of determining rank on each leader board, the remaining table stake of each tied player will be recorded as is, before a Playoff is announced.

**Schedule 2 Blackjack** of the **Casino Gaming Rule 2010** will apply to the rules of the game not declared in the schedule of this Promotion.
